To the Great Commissioners of Utah,

I've been trying to figure this whole thing out. My attic needs insulation. Best I can tell, everything is good, but the story on KSL scared me a bit. I've been trying to figure out how to pocket my share of money as she said I could do and I can't figure that out. I've also been shopping and I don't know where she came with her numbers at, cuz I can't seem to find them. \$.35 a square foot she said. Can't find that anywhere. Where is that at? I'd like to know, cuz I need mine done, but I don't want to break any laws or nothing. Maybe you could point me in the right direction. I feel like KSL wasn't exactly right on. Maybe it was a conspiracy.

Jeanette.
