To Whom It May Concern:

Regarding the recent upheaval regarding the rebates on insulation, I wanted to put in my 2 cents. I had it done. They did me right. I don't want to name the company or any names, but I think that what you set up is a great, great, good program. I got mine done, so I don't know why you changing it, but I think that I like the thought of it continuing, since it's a good program. Has good incentives to do it too. Might as well in my perspective.

Anyways, do what you gotta do, but please think of the children. THINK OF THE CHILDREN. What kind of world are we leaving them? Of the people, By the people, FOR the people. (and may I add grand-children?)

Sincerely,

Jake.
