Subject: Fwd: Insulation rebate

>>> Michael Robertson <_____> 3/18/2009 12:32 PM >>>

I recently had insulation added to my 15 year home. Without the \$.35 cent rebate, I would not have done this. I am sure that if the rebate is reduced to \$.20 most people will not pay the extra to purchase additional insulation.

I am grateful for the rebate, the new insulation and the (hopefully) lower energy bill.

Regards,

Michael Robertson
