Subject: Fwd: Rebates

>>> Pete Sundwall <_____> 3/16/09 10:08:48 PM >>>

Mr Wilson
I have been fortunate to receive rebates to help pay for windows and insulation improvements in my home. If the rates are decreased it would decrease the chance for me and several others to afford needed improvements not to mention the jobs that would be lost. Please don't allow lower rebates.

Sincerely,
Pete Sundwall
