Subject: DOCKET NO. 09-057-T04

To Whom It May Concern:

Please pay attention to all the information that is being given. I think some of it could be used in very constructive matters, which I'm sure you'll do. I think that we should turn our license plates green and be called "Green Utah". It would kinda be like Greenland, which is usually covered in snow and ice.

Sincerely,

Bowie Thompson
