Dear Commissioners:

Re: Confidential Wexpro II Compliance Filing in Docket No. 30010-123-GA-12

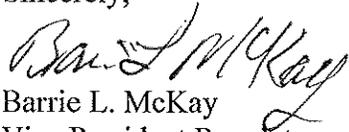

In compliance with the Memorandum Opinion, Findings and Order Approving the Wexpro II Agreement, in Docket No. 30010-123-GA-12, issued October 16, 2013, (Wyoming Wexpro II Order), Questar Gas is filing this report. Paragraph 23 (c) of the Wexpro II Order provides: "Questar shall report the results of the Utah technical conference held on May 2, 2013 (Tr., pp. 31-32.)."

In the Utah Commission's Report and Order In the Matter of the Application of Questar Gas Company for Approval of the Wexpro II Agreement in Docket No. 12-057-13 issued on March 28, 2013, (Utah Wexpro II Order) the Utah Commission ordered that "the Commission will hold a technical conference under the direction of the Utah Division of Public Utilities to further specify the materials, analyses, forecasts, cost estimates, and other data that shall accompany Questar's application for approval to include proposed oil and gas properties under the Wexpro II Agreement." (Utah Order at 28).

On April 25, 2013, the Utah Commission issued a Notice of Technical Conference in Docket No. 12-057-13. On May 2, 2013, the Utah Commission held a technical conference for all interested parties to discuss the data and information that would be filed seeking approval of a Wexpro II property. The Company prepared a confidential power point presentation based on a hypothetical acquisition of a Wexpro II property. Included in the presentation were examples of data that would be provided for each of the items identified pursuant to the Wexpro II Agreement, Section IV-2, subsections (a) through (p). Interested parties and Utah Commission Staff were in attendance at the Utah Technical Conference and discussed the hypothetical acquisition and supporting data. No further action regarding the technical conference was required by the Utah Commission.

Attached is a copy of the confidential presentation titled "Wexpro II Hypothetical Acquisition Data for Filing" on yellow paper and marked "Confidential Information."

Sincerely,

A handwritten signature in cursive script that reads "Barrie L. McKay".
